PACIFICA USA

The beginning of Pacifica's journey of success took place in the United States of America way back in 1978. PACIFICA INDIA

Pacifica's venture into the Indian sub-continent might eventually prove to be their most successful. The reasons for making this ambitious claim are manifold; the outstanding middle-class population growth in India, drastic improvements in the standard of living and most importantly, Pacifica's intentions to adopt long-term investor strategies. Their Indian operations were started in 2004 with the opening of a head office at Ahmedabad and branch offices at Vadodara, NCR, Bengaluru, Chennai and Hyderabad. With a projected portfolio value of more than \$1.7 billion, they are continuing today to exceed expectations of India's growing real estate demand.

PAN INDIA PRESENCE

Pacifica stepped into the Indian real estate space in the last decade. Headquartered in Ahmedabad. Pacifica has established offices in NCR, Hyderabad, Bengaluru, Vadodara & Chennai.
