A LONG-STANDING LEGACY

Since the start of our story, we've sculpted over 280+ properties including grand villas, villaments, penthouses, premium residences, luxury apartments, value homes, urban studios, independent living for seniors, plotted developments, mixed-use lifestyle enclaves and townships, that whisper tales of lives well lived. Our portfolio also includes Grade A office spaces, hospitality chains, retail destinations and schools that stretch over 86 million sq.ft. (7.9 million sq.mt.). This extensive and diverse portfolio is a testament to the trust and value we have built over the years, fostering deep and lasting relationships with our clients and stakeholders. Because at Brigade, we put you above all else.

But our journey is more than just a story of brick and mortar. Our not-for-profit trust, the Brigade Foundation has ignited minds through education and worked on community development, thereby contributing towards the cultural fabric of the nation.

These past 4 decades have seen us carve out our mark on many a skyline, but we'd like to believe that our dawn has just begun. There's more that awaits you on the other side of the horizon.

HERITAGE

GETS A MODERN FLAIR

Terracotta tones borrowed from the annals of Chennai's history. Living roofs that leave the mark of modernity on the city's horizon. Nature peeking through the structure's contemporary landscape.

When you step into Brigade Icon, the world slows down. We'll transport you to the timeless theatres and majestic temples of Chennai that have served as our architectural inspiration, while pulling the curtains back on the future of sophisticated living.

ECHOES OF TRADITION

A GEM ON MOUNT ROAD

Not just any gem – this is one that could bring the ever-bustling Mount Road to a stand-still. An architectural icon inspired by abstraction and the visual appeal of gemstones, from the Mughal Yaqoots, to the ancient Indian Navaratnas. Step in and witness the playful dance of light and shadows, as the sun's rays glance through the copper-tinged crystalline façade.

TIMELESS SPACES. ICONIC LIVING.

Let your individuality echo through your space which stands as a testament to enduring design.
