Live in the epicentre
of connectivity

Arcot Road is one long road that connects plenty of core areas of Chennai like Kodambakkam, Vadapalani and Virugambakkam. Situated in a hot and well-developed residential area, DRA Innique, bang on the main road, offers excellent connectivity. Schools, hospitals, colleges, popular malls and restaurants, all are just a few minutes' drive away.

A modern living room interior featuring a large, dark brown sectional sofa with several blue and white throw pillows. In front of the sofa is a white coffee table and a white ottoman. To the left, there is a light-colored sofa with blue and white pillows. A large, arched floor lamp with a black shade stands behind the light-colored sofa. A large potted plant with green leaves and pink flowers is on the far left. The room has a light-colored tiled floor and a large window with sheer curtains in the background. A wooden sideboard with decorative items is on the right.

Privacy. Isn't that the founding stone of a home? A space of our own. At DRA Infinique, you can be assured of complete privacy due to the no-wall sharing design. No two entrance doors face each other and every home comes with a foyer space thereby making it more private. The project comprises of just 3 and 4 BHK homes which makes the number of homes per floor less, and the privacy more.
