

**DUBAI-STYLE APARTMENTS AND VILLAS,
VALARPURAM, CHENNAI.**

RISING PALMS, Where Dubai Lifestyle Meets Smart Investment

Step into a new era of living at Rising Palms, inspired by Dubai's elegance and modern urban comfort. Located in Chennai's fast-growing western corridor, it offers unmatched connectivity and future-ready infrastructure. A perfect blend of premium design, convenience, and long-term value for modern living. Discover smart living with thoughtfully designed affordable apartments for today's families. Enjoy seamless access to metro, expressways, and upcoming landmarks like Parandur Airport and the bullet train corridor.

Experience a lifestyle where everyday convenience meets strong investment potential. Indulge in luxury with beautifully crafted Dubai-inspired villas. Spacious layouts, landscaped surroundings, and refined finishes elevate your living experience. Enjoy privacy, prestige, and proximity to Chennai's thriving economic zone. Rising Palms is where elevated lifestyle and future growth come together.

Villas | Apartments

58 YEARS OF LEGACY AND INNOVATION.

For over 58 years, GT Bharathi has shaped Chennai's skyline with trust and imagination. What began in 1967 as GT Group's bold vision has grown into a partnership with Bharathi Meraki, a place where legacy meets forward-thinking design.

GTB has created more than just spaces, it has built plotted developments that spark new beginnings, villas that celebrate privacy and prestige, luxury resort-style communities that turn life into leisure, and active senior living havens designed for comfort, dignity, and connection.

In every project, the commitment is constant: to deliver timeless value, masterfully curated design, and residences that transcend expectation to become the ultimate home.

WHY RISING PALMS, VALARPURAM-CHENNAI ?

INVESTOR CORNER

Appreciation

The region is witnessing strong capital appreciation driven by large-scale infrastructure developments such as the **high-speed rail corridor**, **Chennai-Bengaluru expressway**, metro expansions, and the upcoming **Parandur international airport**. These projects are transforming West Chennai into a well-connected growth hub, while **industrial corridors**, **satellite townships**, and fintech developments are further strengthening demand. With improved accessibility, urban planning, and employment generation, land and property values in key micro-markets like Poonamallee, Thirumazhisai, and Sriperumbudur are expected to see sustained and significant long-term growth.

ROI Perspective

From an investment standpoint, the region offers strong return potential supported by rising **rental demand**, continuous job creation, and expanding commercial activity. The presence of major industrial hubs, **IT parks**, **logistics zones**, and **transit-oriented developments** ensures a steady influx of workforce and businesses, driving both residential and commercial absorption. Enhanced connectivity through road, rail, metro, and air further boosts livability and accessibility, making it an ideal destination for consistent rental income and long-term investment returns with high growth potential.

Dubai Style Apartments And Villas

Rising Palms Apartments & Villa Community brings you a new standard of living inspired by modern Dubai-style infrastructure, thoughtfully designed in the fast-growing hub of Valarpuram, Chennai. Spread across a sprawling **7-acre development**, this premium gated community offers over **500+ well-planned homes** that blend luxury, comfort, and smart urban planning. With **wide internal roads**, organized layouts, and future-ready infrastructure, Rising Palms creates a perfect environment for contemporary living.

At the heart of the community lies a **fully equipped clubhouse** featuring a range of indoor amenities, complemented by expansive OSR (Open Space Reserve) areas designed for outdoor **recreation, fitness, and relaxation**. From landscaped open zones to activity spaces, every element is curated to promote a healthy and vibrant lifestyle for all age groups.

What truly sets Rising Palms apart is its unmatched value proposition. With a **highly competitive maintenance cost of just ₹1.99 per sq. ft.**, residents enjoy a hassle-free living experience without financial strain—making it especially ideal for homeowners managing EMIs. Sustainable features like an **eco-friendly Sewage Treatment Plant** (Eco STP) further enhance long-term efficiency and responsible living.

Rising Palms is the perfect choice for modern homebuyers and investors seeking luxury within reach, where smart infrastructure, lifestyle amenities, and affordability come together seamlessly.

TERRACE PLAN

A woman with dark hair, wearing a white one-piece swimsuit, is floating on her back in a swimming pool. Her arms are spread wide, and her legs are straight. The water is clear and blue, with sunlight creating a shimmering, rippling effect across the surface. The overall mood is serene and luxurious.

SPECIFICATIONS

SMART INFRASTRUCTURE

Solar-Powered Community

Solar energy powers the WTP and amenities; solar lighting provided along all 9 m wide roads, parks, and landscape areas.

Eco-STP & Water Reuse

Treated sewage water is recycled for landscaping and flushing — a zero-waste water management approach.

EV Charging Bays

2 dedicated EV bays with 5 charging points each — one bay for villas and one for apartments.

Abundant Water Storage

82,000 L underground sump + Sintex OHTs at terrace level; dedicated WTP for full domestic water supply.

Solid Block Masonry

200 mm thick external walls for villas; 150 mm for apartments—robust and thermally efficient construction.

Premium Joinery

Seasoned teak wood main door frames; UPVC French & sliding doors; WPC toilet shutters — durable and elegant.

PREMIUM FINISHES

VILLAS — Large-Format Flooring

1200x600 mm vitrified glossy tiles in living, dining & kitchen; granite staircase treads with anti-skid grooves.

APARTMENTS — Designer Interiors

1200x600 mm tiles in living areas; 600x600 mm in bedrooms; gypsum plaster walls with premium emulsion paint throughout.

Weatherproof Exteriors

Texture putty + damp-proof primer + premium weatherproof-emulsion on all external walls and balconies.

KITCHENS — G20 Granite Countertops

600 mm wide granite platform at 840 mm height with SS single-bowl sink — both villas and apartments.

QUALITY CONSTRUCTION

RCC Framed Structure

Fe550 grade reinforced steel — higher tensile strength than standard Fe500 for superior structural integrity.

MODERN CONVENIENCES

V3F Lifts with Auto Rescue Device

6-8 passenger variable-voltage & variable-frequency lifts per apartment block with ARD — fully automatic.

Full Power Backup

100% DG backup for all common areas; inverter provision in every unit; 3-phase power supply throughout.

AC Provisions Throughout

AC points ready in all bedrooms and living/dining areas — no additional civil work needed.

Telephone & Broadband Ready

Provision for telephone & broadband in every unit; CCTV surveillance across all common areas and pathways.

LIFESTYLE & SUSTAINABILITY

Landscaped Green Spaces

Bio-fence between villa patios; architect-designed parks and landscape throughout the community.

Gated & Secure

Precast compound wall with textured finish; CCTV and lighting for full perimeter security.

European WC Throughout

AC points ready in all bedrooms and living/dining areas — no additional civil work needed.

OWC & Green Waste Management

Organic Waste Converter alongside eco-STP for end-to-end sustainable waste management.
